

REUNION WEEKEND

At the Iron Chef Reception and Wine Tasting, Chef John Serock demonstrated various culinary preparation techniques during Reunion Weekend 2011.

Alumni Weekend began with an Iron Chef Reception by John Serock of Serock Catering and a wine tasting event led by wine educator Hudson Austin.

On Saturday, alumni recognized the 25th Reunion Class at an alumni breakfast social in Alumnae Hall. Later, alums gathered in the theater for the presentation of the Alumni Medal to Dorothy (Dottie) Walsh Kelly '49 and Lisa Dougherty, Esq. '02 and the Amethyst Award to Patricia Crea LaRocco, M.D., '71. Also included in the ceremonies were the recognition of the Solid Gold Macs—Class of 1961, the President's report, and a special presentation of the University Leadership Awards. The University Leadership Awards were given to Marion Truchsess Rafferty '48 and Anne Cavanaugh Kearn '57 for their tireless efforts in keeping the Lourdes Chapter alive and well. A luncheon was held in the Great Hall followed by Mass and a champagne reception. Later that evening, recent alumni were invited to "Twisted Traditions" where they reinvented their favorite traditions. Many alumni from the Class of 2010 participated.
